# Enjoy the Benefits of Extended Protection!

## Better Coverage Starts Here

Here's why you need it...

### ✓ C - Complexity of your product

Today's products include technology, and that requires trained technicians with specialized equipment to repair.

### ✓ A - Activity of your product

The amount of use of your product, and how you use your product, can lead to costly repairs.

### ✓ R - Repair Costs to your product

A common reason products are replaced is the cost to repair them when they fail.

### ✓ E - Environment where your product is used

External factors can affect how a product performs.

PRS Cares Home Warranties protect your products from the unexpected. Let PRS Cares take **C.A.R.E.** of you!
